Dear Mr. Keel:

PROPOSED RICH ANNEXATION TO THE
CITY OF HAWTHORNE

At the meeting held on May 22, 1963, the County Boundary Commission reviewed the boundary description and map submitted by Mr. P. N. Scott, Director of Public Works, with his letter of May 6, 1963, for the proposed annexation of territory to the City of Hawthorne.

The boundaries submitted do not create islands or corridors of unincorporated territory, and conform with record lines. Upon recommendation of the County Engineer, revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code.

With these revisions the Commission approved the boundaries for the proposed annexation. A copy of the approved revised legal description and a list of special districts involved are enclosed for your file.

Very truly yours,

Gordon T. Nesvig
